**ATTENTION: AGENDA PREPARATION**

Dear Chairman and Members of the Board of Supervisors:

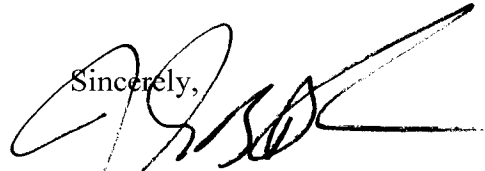

**SUBJECT:           SUPPORT BY CITY OF SEAL BEACH –  
ADOPTION OF SAN GABRIEL RIVER  
CORRIDOR MASTER PLAN, CERTIFICATION  
OF FINAL PROGRAM EIR AND ADOPTION OF  
FINDINGS OF FACT AND PROGRAM  
MITIGATION MONITORING MEASURES**

The City of Seal Beach wishes to support the adoption of the San Gabriel River Corridor Master Plan ("Master Plan") and the other appropriate actions by the Board that are required: certification of the Final Program Environmental Impact Report; adoption of the Findings of Fact; and adoption of the Program Mitigation Monitoring Measures. Our community has been involved with the development of the Master Plan since 1998 and is extremely pleased that the final actions to implement this important regional watershed planning effort are before you for consideration and approval.

The Los Angeles County Department of Public Works, the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy, the local communities along the San Gabriel River, and all other interested organizations and persons are to be commended for the efforts of all parties in the development of the Master Plan and the ongoing Master Plan development implementation efforts. Without the involvement of all parties that have participated in the development of the Master Plan, and the subsequent review and provision of comments on the environmental documents, this important project would not be before your honorable Board with the broad support that this planning effort has generated.

Please contact my office at your earliest convenience if you require additional information or have questions regarding the enclosed documents. I can be reached at (562) 431-2527, extension 300, or by e-mail at [jbahorski@ci.seal-beach.ca.us](mailto:jbahorski@ci.seal-beach.ca.us).

Sincerely,

John B. Bahorski
